

8th Grade Trip!

Spanish Immersion & Adventure in Costa Rica

This Spanish Immersion Program in Costa Rica is specifically designed to:

- Experience the beauty and adventure of Costa Rica
- Improve Spanish skills
- Gain cultural understanding
- Earn community service hours

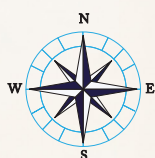

Summer 2019

This Summer Immersion program is designed to give students the confidence to engage in spontaneous conversations with native Spanish speakers and experience the adventure of Costa Rica! Classroom language learning comes alive and becomes a practical skill as participants cross paths with their host families and work alongside other Costa Rican school students in our service-learning projects. It is one of the best investments a student can make in becoming proficient in Spanish and learn about the culture and country of Costa Rica.

10 Day Costa Rica Spanish Immersion & Adventure Program

Dates: June 6–16, 2019, give or take a couple of days on either end

- 12 hours of Spanish classes
- Service learning projects
- 4 nights with host family
- 3 days at Manuel Antonio National Park and beach
- 3 days of adventure travel in Arenal
- Dancing and cooking classes
