

Welcome to Mastering Medical Spanish!

Here is a quick checklist of things you need to do as we get started:

- View the “Getting Started” Lesson in your course for all the tech tips and first steps:
 - [Beginning MMS](https://commongroundinternational.com/courses/beginning-mastering-medical-spanish/)
 - [Intermediate MMS](https://commongroundinternational.com/courses/mastering-medical-spanish/)
 - [Advanced MMS](https://commongroundinternational.com/courses/advanced-mastering-medical-spanish/)
- Take the [MMS Survey](https://www.surveymonkey.com/r/8GSCM5F):
- Take the [Medical Spanish Placement Test](https://commongroundinternational.com/medical-spanish/spanish-placement-test/) if you haven’t already:
- Add your 5 Patient Profiles to this [shared Google Doc](#).
- Add your availability to this [Conversation Partner Document](#).
- Get started with the Foundations lesson in your course
- Keep smiling – this is going to be challenging but fun 😊

We’re so excited to start working with you!

Cheers,

Rory, Leslie & the CGI Team
